

## **How the Permit Process Works**

Step 1. You send us a correctly completed 2011/12 FHL permit application by mail. Use of a previous year's or incomplete application will delay processing your application.

Step 2. You must include the correct fee in a money order or cashier's check payable only to the "MWR US Army". No personal checks accepted.

Step 3. You provide an e-mail address or self addressed, stamped envelop for confirmation.

Step 4. We process your application within two weeks of postmark date.

Step 5. We notify you by e-mail or mail that your application is processed.

Step 6. You pick up your permit in person with current photo identification at the Hunting and Fishing check station on Fort Hunter Liggett.

## **Other Important Information**

- Your 2011-12 annual hunting permit is valid from July 1, 2011 through June 30, 2012 concurrent with the hunting license year.
- Your 2011-12 two-day hunting permit is valid for any one weekend from July 1, 2011 through June 30, 2012.
- Your permit application is not a reservation for hunting on a weekend.
- Access for hunting to the training areas is on a first come first served basis (except for the lottery system during the general deer season).
- Training area availability for hunting is determined by the military training schedule. There may be times when hunting opportunities are extremely limited or unavailable due to military training requirements.
- Reduced Fee applicants must submit a copy of their CDFG hunting license or a copy of their Common Access Card (front only) with their application to verify reduced fee eligibility.
- Military / Retiree applicants must submit a copy of their Common Access Card (front only) with their application to verify fee eligibility.
- All permit sales are final and are not refundable or transferable between individuals, or to another permit year.
